

2024 SPRING EVENT TABLE TALK INFO

Soil Blocks

presented by Deb Johnson, Ann Larson & Diane Vanderlinde, SDSU Extension Master Gardeners

Forget about the paper, peat pots, or plastic cells! Soil blocks are an economical, eco-friendly way to start seeds and cuttings, grow healthy seedlings, and reduce transplant stress. This table talk will discuss and demonstrate soil-blocking.

Herbal Gardening

presented by Priscilla Jurkovich & Sarah Linneman, SDSU Extension Master Gardeners

Do you find yourself buying herbs at the farmers market or grocery store and want to learn how to grow your own? This table talk will discuss local perennial herbs as well as annual herbs, growing tips, and descriptions of various herbs.

Drip, Drip, Drip Irrigation

presented by Dan Heinemann, SDSU Extension Master Gardener Intern

Have you ever considered switching to a garden drip irrigation system? This presenter will use his 20 years' experience to review the options, explain what seems to work and provide examples of products used.

DIY Lawn Care

presented by Jerry Mills and Don Taylor, SDSU Extension Master Gardeners

Are you struggling to have a good lawn or hiring a lawn service to do it? This table talk will help you attain a better lawn and save \$\$ by Doing It Yourself.
